DETAILED ACTION

This Action is responsive to Applicant's RCE request of June 5, 2006 and amendment filed on April 11, 2006.

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on June 5, 2006 has been entered.

Claims 1-50 have been cancelled in preliminary amendments. Claims 53, 67, 68, 74, 88, 89 and 101 are also cancelled. Hence, claims 51, 52, 54-66, 69-73, 75-87 and 90-100 are pending.

Allowable Subject Matter

Claims 51, 52, 54-66, 69-73, 75-87 and 90-100 are allowable over the prior art of record, renumbered as claims 1-44.

The following is an Examiner's statement of reasons for allowance.

Claims 51 and 72 are allowable because the prior art of record or that encountered in searching for the invention, fails to disclose or suggest viewing a visual form of data associated with tags by executing a previewer program which accesses a control file to view said visual form of data represented by metafile data, wherein the previewer program is operable to perform searching for instances of specified text in at least one report, the searching comprising sorting

commands by page and forming a list of records from the sorted text commands, wherein each record is associated with a text string and a position of the text string in the display, and concatenating text strings from the list based on a predetermined percentage of text height, as claimed in addition to the other claim provisions.

Claims 52, 54-66, 69-71, 73, 75-87 and 90-100 depend from claims 51 and 72, respectively, and are therefore allowable on the same basis as their parent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
